"The Hundred on Silver Creek"

ROLLING HILLS WITH CREEK FRONTAGE

Property Amenities

"The Hundred on Silver Creek" at 100± acres, is a great recreational property. This long tract gives the feel of a much larger property. The rolling property is high and dry on the eastern side of the tract, along the road frontage, and gently slopes the further west one proceeds. This leads to a very diverse holding which is good for wildlife.

Electrical utilities are located nearby for those looking to establish a campsite for added enjoyment from their property. The land is accessed via Hardy Williams road, a lightly trafficked country road, yielding quite enjoyment. Frequent sightings of Whitetail Deer and Wild Turkey are the norm on this property. Recreational opportunities other than hunting, include camping, and ATV riding on the properties trails.
